Our Wonderful Diamond Award Winners

Huge congratulations to our first group of 74 students to achieve their Diamond Awards. As school principal, I am extremely proud of all our students who continue to conduct themselves with honour across all facets of school life. Well done!

I look forward to inviting all of these students up on stage on Friday so we can acknowledge and recognise this significant achievement. I also look forward to adding a large number of additional students who gain their Diamond Award this Friday.

It was a combined effort from our students and I would like to congratulate all students for their outstanding efforts on the day.
