## PRINCIPAL'S REPORT

### STUDENT OF THE WEEK

Congratulations are extended to Cooper Carloff from the Squadron class for being named our 'Student of the Week'. Cooper receives the acknowledgement for being supportive of another student throughout the school cross country carnival. Congratulations Cooper on receiving this award!

### BOUQUETS

#### Boys Cricket

Many thanks to the parents who assisted with transport to Dungog to allow the boys to participate in the NSWPSA boys cricket knockout. Unfortunately, the boys were outplayed in the match. Well done to the boys and thank you to Miss Winney for overseeing the coaching of the team and to the plethora of parents who assisted with the training of the team.

#### Breakfast Club

The Red Cross Breakfast Club has ended for this term. Thank you to all the Red Cross ladies for their continued support of our students every Tuesday, Wednesday and Thursday mornings. Breakfast Club will start up again next term.

#### Donation to our P & C

Many thanks for the donation of a new microwave oven to our school canteen from our local electrical business **Myall BITS & BYTES**. See advertisement page 4.

#### Newcastle Writers Festival and University Visit

The students who attended the Writers Festival and Author visit at the University have been raving about the experience. Many thanks to our librarian, Miss Cooper for arranging the visit to this year's Writers Festival.

#### Lilly-Arum's Report

*The writers' workshop was awesome! It was a very exciting morning as we all waited patiently for the Bulahdelah Central School bus to arrive at the rock.*

*As soon as it arrived we boarded the bus with a spring in our steps. We all entertained ourselves until we arrived at Liz Anelli's printmaking workshop. We didn't know what to expect. Liz Anelli was a very lovely person and an amazing illustrator. She gave us some instructions and we set off creating our kooky and fun characters with the printmaking items provided. I loved this activity because there was no restrictions in imagination, everybody's characters were different.*

*We all enjoyed our experience with Liz Anelli and were very sad to leave but we were on our way to the University of Newcastle only too soon. When we arrived, we quickly made our way to the nurse section of the University which is where we met Matt Lumb, Kiera and Yvonne. These creative people worked together to write, illustrate and edit a book called "Hope".*

*We all listed intently to Matt, Kiera and Yvonne, then we participated in an editing and writing activity. We all enjoyed this. We were all so sad to leave, it's not everyday that you get to meet Authors and Illustrators, is it? It was a very quick bus trip back to the rock, we all wanted to stay there for even longer. We all thoroughly enjoyed our experience.*

#### National Day against bullying and violence- Friday 20 March

This year, our school participated in the National Day of Action against bullying and violence.

All students undertook special activities during the day to reinforce the key messages about what bullying is and what sorts of strategies work to deal with it. To assist, all students received a Bullying- No Way! Pocket Card which provides strategies to use if someone is trying to bully them. See a sample of this card below.

#### Stopping bullying starts with you

##### If someone tries to bully you

- ignore them, turn and leave
- if you can, look them in the eye, tell them to 'stop' and then walk away
- pretend you don't care
- go to places where you feel safe.

##### If you have been bullied

- talk to an adult (parent, teacher) you trust who can help stop the bullying
- seek support from your friends
- keep on asking for support until the bullying stops.

##### If you see someone being bullied

- if safe, do something to stop it
- report it to a teacher
- support the person being bullied.

**Bullying under any circumstances is "Not Ok!"**- Many thanks to our students who contributed to the creation of our sea of hands and body display! It was pleasing to see a number of parents being shown through the display by their children during pickup on Friday afternoon. This culminating activity was used to highlight the fact that bullying of any form is "NOT OK!"

At our school we aim to create a safe and supportive school community for everyone. Sometimes, it can be difficult for parents or carers to know what to do when their child talks to them about bullying. You are an important part of our work to prevent bullying and to respond effectively if it happens. Stopping bullying involves everyone.

#### **If your child talks to you about bullying:**

- 1. Listen** calmly and get the full story. Your calm response is important to allow your child to tell you all about the situation. After they've told you their story, ask questions to get more details if you need to: who, what, where, when. Although you may feel some strong emotions about your child's experience, try to keep calm to avoid more distress to your child.
- 2. Reassure** your child they are not to blame. Many children blame themselves and this may make them feel even worse. You could say things like, 'That sounds really hard to deal with. No one should have to put up with that.' or 'I'm so glad you told me. You should be able to feel safe at school; that's not fair at all'.
- 3. Ask** your child what they want to do and what they want you to do. A critical part of your response is to avoid jumping in to solve the problem. While it is natural to want to protect your child, helping them to find their own solution is a better option. It helps them feel they have some power in the situation.
- 4. Visit** [www.bullyingnoway.gov.au](http://www.bullyingnoway.gov.au) to find some strategies. The website has tips and ideas for different bullying situations. One idea is to practise strategies at home to help your child feel more confident.
- 5. Contact** the school. Your child may be reluctant for you to do this, so discuss the idea and reassure them that the school would want to know and is able to help. Make an appointment to meet with your child's teacher and, if you need to, ask to talk with the principal. Contact the school immediately if you have a concern about your child's safety. *With parent teacher interviews currently underway, this is a great opportunity to discuss this issue if required.*
- 6. Check in regularly** with your child. Keep the conversation going. It can take time to resolve issues, so check in regularly with your child about their experiences and their feelings. Your ongoing support is important.

If you are looking for support for yourself to deal with a bullying situation, you will find ideas on the Bullying. No Way! website for parents. As well, please contact the school if you would like to discuss any aspect of our approach to preventing bullying.

Thanks for your support to make our school a great school for everyone.

## Useful websites

### Practise to be a journalist

This website could definitely make practising writing and spelling more interesting for all of us. Make a newspaper clipping with your own headline and story. Your child may even start imagining themselves as a publisher or journalist. <http://www.fodey.com/generators/newspaper/snippet.asp>

### Safetytown website – A road safety education program

This innovative website reinforces the road safety messages that children are learning at school. It provides practical strategies to help families learn how to be safer pedestrians and road users. The seven key road safety messages cover pedestrian safety, car passenger safety, bus passenger safety and safety on wheels (bicycles, foot scooters, skateboards and rollerblades). For further details, visit <https://www.safetytown.com.au>

### Back by popular demand

Mention head lice and most of us instantly develop an itch. While head lice and nits, (the eggs of head lice) are certainly annoying and persistent, they're not dangerous. Here's everything you need to know to rid your kids of head lice and nits. <http://www.health.nsw.gov.au/environment/headlice/Pages/nitbusters.aspx>

## Good for Kids good for life

### Why volunteer in the school canteen?

Schools and community organisations are finding it increasingly difficult to find volunteers to help out. With many parents working or busy looking after children there is a real shortage of volunteers in school canteens.

Volunteering in your child's school canteen has a whole range of benefits to you, your child and the school community:

You may be able to have some input into what food is sold in the canteen

It gives you an opportunity to meet other parents at the school and gives you another social outlet

You can support your child in their food choices at the canteen

Your child is able to see you at the canteen

You are supporting the school be able to provide a food service for the students

Our school is in need of more volunteers for the canteen so if you are interested please contact our Canteen Supervisor. – Danielle Driscoll on 0421 976 137
