### FROM THE PRINCIPAL'S DESK

#### Presentation Day and Digital Technologies in Focus Showcase

Today is a very special day in our school calendar. Not only do we get to celebrate the achievements of our school over the past 12 months, announce our 2019 student leaders but we also get an opportunity to showcase how our students and staff are starting to embed digital technologies into the curriculum. The study of digital technology and computational thinking in our classrooms ensures that our students move from being users of technology, produced elsewhere, to becoming world leaders in developing new technological innovations and solutions.

Join us for our Digital Technologies Showcase from 12pm-1pm today and then stay around for our annual presentation day under the COLA commencing at 1:35pm

**Looking forward to seeing you!**
